Luce, Schwab & Kase would like to invite you join us at our

4th Annual HVAC EQUIPMENT EXPO

With the R-22 deadline come and gone, there is no better time to bring yourself up to speed on the changes in products and regulations that will impact your business in the coming year. Meet representatives from Luxaire, Armstrong, Mitsubishi, Unico and many other manufacturers, all of whom will be on hand to answer your questions and offer their insight on how to succeed in our constantly changing and challenging industry. The topics for this year's training sessions will include:

City Multi Controls with Mitsubishi

New Products and Opportunitites by Allied Air (Armstrong)

Business Success with Steven Grady-Director of Sales-Bosch Thermotechnology

New Uni-Chiller with Unico

R-410 Products and Practices by Parker Refrigeration

So reserve the date and plan to join us. Simply fax in your registration to:
