

92 AFUE

Gas Furnaces High-Efficiency

Comfort you can
count on

CONCORD[®]
Quality heating and cooling products

Homeowner Features

Energy Savings

92.1% AFUE Rating
Upgrading your old model furnace with a new higher AFUE-rated furnace could save you significantly on your energy bills.

Comfort

Electronic Control System
Controls every function of the furnace with digital accuracy to keep your home comfortable.

Durability

Aluminized Steel Heat Exchangers
Reliable, corrosion resistant, and guaranteed for the life of the furnace.

100% Run-Tested in Factory
Each unit undergoes a thorough, rigorous inspection and performance test before leaving the factory.

Warranty
10-year limited parts warranty. Lifetime limited heat exchanger warranty!*

Quiet

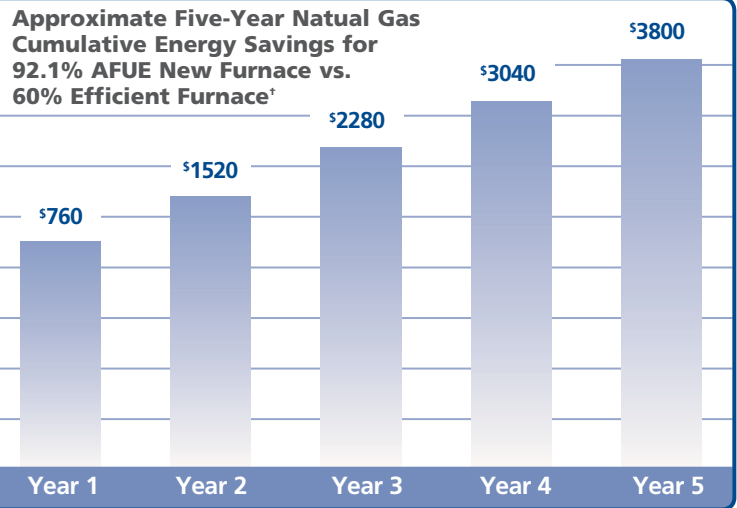

Sealed Service Doors
Reduces burner and air noise.

Anti-Vibration Blower Assembly
Reduces noise typically associated with starts and stops.

AFUE-Annual Fuel Utilization Efficiency

SAVE up to \$760.00
a year on your natural gas bill with our 92% AFUE Furnace.†

* Applies to residential applications only. See full warranty at www.alliedair.com for terms, conditions and exclusions.

† Cumulative gas usage savings based on 2008 National Residential Retail Average Natural Gas price of \$1.35 per thousand cubic feet, per US Department of Energy. Based on 100,000 btuh inputs and assuming 60% AFUE for existing unit. Actual costs may vary on systems settings, equipment installation and maintenance, duct system, local climate, local utility rates and hours of operation.

Note: Due to Allied Air Enterprises' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.
